RE: Kate Denning – Race Day Event Services

To Whom It May Concern

From: Hudon White, Race Director

Stephenville Lions Spooktacular

The Stephenville Lions Club has utilized Kate and her company, Race Day Event Services, for 3 years for timing services for our primary fundraiser, the Spooktacular. Our race is actually 3 events in 1, combining a 5K, a 10K, and a half marathon, all run concurrently. We have in excess of 400 participants and have experienced steady growth. We start our event with the half marathon, followed at 10 minute intervals by the 10K and 5K. Kate accommodates the staggered start timing of all 3 events with no problems. She is reliable and will do everything possible to make sure event timing is accurate and results are posted quickly.

I have, and will continue to recommend Kate and Race Day Event Services. She does an excellent job.

Sincerely,

Hudon White
