

Reference for Race Day Event Services:

I have worked with Race Day Event Services for the past three years on the Turkey Trot for CASA Kids held each November in Eastland, Texas. Our race is a 5K and we usually have around 50 participants. Even though we are considered a small event, Kate and her team treat us with the same respect as if we are running hundreds.

Race Day Event Services is well prepared and ensure that the event runs smoothly. They are friendly, helpful and extremely punctual. Kate Denning is easy to contact and knowledgeable for all the information you need to set up and run your event.

I highly recommend this service and consider this group our friends.
