Race Day Event Services is extremely organized and efficient. They have been hosting our Riley Run 5K for the last two years. We are not the biggest run but we had 175 timed participants. The results are posted on the site in a timely manner.

Linking with their website was the best thing we have done. We receive updates and run sign up is awesome.

Kate is a real hands on person and has helped me immensely. If you are just starting out she will walk you through all the steps and answer all your questions.

Check out our website and see how easy it is to use rileyrun.org
